

**RE-LEARN THE
POSSIBILITIES OF
A MILITARISED
COMMERCIAL
VEHICLE**

JANKEL

PROTECTION IS EVERYTHING

FOX | **RAPID REACTION
VEHICLE (RRV-x)**

In today's ever changing world, tactical vehicles need the modularity to fulfil a variety of roles in order to offer the most cost effective capability. The Fox Rapid Reaction Vehicle (RRV-x) has been designed with enhanced weight carrying capacity, internal CH-47 air transportability and increased off-road agility to push the boundaries of payload, mobility and performance.

DIMENSION AND WEIGHTS

- Length: 5,285mm
- Width: 1,870mm
- Height: 1,870mm
- Kerb mass: 2,600kg (standard configuration)
- Payload: 1,800kg+

AIR TRANSPORTABILITY

- C130 tie-downs
- CH47 internal dimensions
- CH47 under-slung (optional)

ENGINE AND DRIVETRAIN

- 2.8 litre 4 cylinder diesel with turbo charger
- Bespoke Heavy Duty wheels
- Transmission 6 speed automatic
- Heavy Duty Oil Cooler
- Transfer case, 2-speed 4wd
- Power 225HP with 525 Nm torque
- Tyres: 245/75 R17 all terrain
- Axle Differentials Lockable (Front and Rear)

SEATING AND BODY VARIANTS

- Left hand/right hand drive positions
- 2 front + 3 intermediate + cargo bed (Patrol Variant)
- 2 front + 3 intermediate + 4 rear (Troop Carrier Variant)

PERFORMANCE

- Max speed: 120kpm
- Wading: 700mm
- Fuel capacity: 140 litres
- Departure angle: 29° Configuration Dependent
- Step climb: 300mm
- Ground clearance 279mm
- Fuels: diesel (petrol optional)
- Approach angle: 41°
- Breakover angle 154°
- Range: (typical) 1500km

EQUIPMENT OPTIONS (EXAMPLES)

- Winch: front, rear, cargo-loading
- Smoke dischargers
- Digital instrument panel
- Front rock-strike protection plate
- Electrical system: 12v/24v DC
- Front: post and cradle mounts for 7.62mm GPMG or 5.56mm
- Main: 1,050mm ring (850mm ring optional) and soft-mounts for 0.50 cal, 40mm AGL, 7.62mm GPM or 5.56mm
- Lower rear suspension system
- Infa-Red lighting
- Pull-out laptop compartment
- Under-belly protection plate
- Personal weapon stowage
- Automatic transmission
- Communication suite
- Modular dash panel
- Modular armour solution (optional)
